

HEADTEACHER: Mrs Rosalind Bennett **CHAIR OF GOVERNORS:** Mrs Anne Howarth

2nd July 2026

Dear all,

Our week has of course involved lots of fun observing and holding the chicks. We were all amazed to see that after the weekend lots of the chicks had grown wings! The class have been busy naming the chicks and writing down their names on whiteboards. A few of the popular names include Chick Chick, Flyford Chick and Fluffy! The children have enjoyed choosing which chick to hold and exploring how to handle them safely. We will certainly miss the chicks as they leave us today to head to Sam's farm. The children have loved the experience, it has been wonderful to share this with them. On Tuesday we had an exciting afternoon creating 3D animal sculptures. The children had lots of fun using different tools to mould and manipulate their clay, they then used the tools to make markings on their animals e.g. a smiley face! They are very excited to paint them next week.

In maths this week we have focused on sharing and grouping. The children have been sharing raisins at a picnic, and grouping animals into different fields. In phonics this week we have continued to consolidate our Level 4 learning with a focus on reading and writing polysyllabic words.

Forest School: Tomorrow the children will have their Outdoor Learning Session as usual. Please can the children come in to school wearing their Forest School clothes.

Pet Day: Thank you very much to those who have signed up to bring an animal on Pet Day. If you are planning on bringing a pet next Friday (10th July) please do let me know as soon as possible for risk assessment and planning purposes. For those of you who have signed up, at your time slot please come to the usual blue school gates on the playground and a member of staff will let you in. We are all so excited to meet the pets that we have heard so much about! Thank you in advance for your support.

If there are any questions at all, please come and see us.

Have a lovely weekend.

Kind regards,

Mrs Bown
