

Child sponsorship form

To support World Book Day (5th March) the Flyford PTA are holding a readathon. We would like to invite all children to take part. The idea is to raise as much as they can over the weekend of 6th - 8th March by reading books they enjoy, maybe even books they haven't read before.

Reading boosts literacy, builds confidence, and gives children a real sense of achievement. We really hope you encourage your children to take part. Please can we ask that the sponsor form and all monies raised are returned to the school on Monday 9th March. All monies raised will go back into the school to help fund essential items, the PTA feel the school would benefit from.

National Year of Reading 2026
