

HEADTEACHER: Mrs Rosalind Bennett

CHAIR OF GOVERNORS: Mrs A Howarth

1st October 2026

Dear Parents,

Re: Y5 STEM Workshop: Monday 2nd November 2026

We are delighted that STEMworks will be visiting our Y5 students in November to deliver a workshop in school during the morning of Monday 2nd November 2026.

This exciting initiative will inspire the next generation of engineers to drive the future economy of Worcestershire and beyond. Throughout the challenge, students will learn about structures and mechanisms, and use their knowledge to solve a construction challenge.

We have been able to source a subsidy for this initiative but there is a small additional charge. We would ask for a voluntary contribution of £4.23 to cover this cost. Please note that the event will be unable to go ahead without sufficient contributions. If you are experiencing financial hardship, please do come and speak to us in confidence. Payment for this event can be made on Arbor by Thursday 22nd October 2026.

If you have any queries, please do not hesitate to contact me.

Yours sincerely,

Mr Kearns
