

1st October 2026

Dear Parents/Carers

Harvest Festival Tickets

It's wonderful that our school has grown and continues to thrive over the years. Despite our increased numbers, we work hard to maintain the warm, rural, family feel that is so important to us. With this in mind, we are keen to continue holding whole-school events, such as our Harvest Service on 16th October. Such events bring our school community together and help ensure that strong sense of belonging that is so important to us.

At our last church service, we were delighted that so many families wanted to join us. However, we welcomed a number of additional guests on the day who we were not expecting. Whilst it was lovely to see such support for the children, we were conscious that some families felt frustrated with the number of guests present.

With this in mind and to ensure that everyone can attend safely, each family who would like to attend will be allocated two tickets. These may be used for either the morning service, the afternoon service, or one ticket for each service. Every effort will be made to accommodate families' preferred service time, whether morning or afternoon. Tickets will be allocated on a first come first served basis.

Please request tickets using the link below by Friday 9th October 2026.

Should we have any additional capacity, we will be pleased to offer further tickets where possible, with priority given to families where children are supported by more than one household. We will do our very best to meet everyone's requests wherever possible.

Younger siblings are very welcome to attend without a ticket, although we kindly ask that they sit on a parent's or carer's lap so that seats remain available for adult guests.

We know that Harvest is a special occasion for many families and hope that these arrangements will allow us to continue celebrating together while ensuring that everyone has a positive experience.

As in previous years, the service will last for approximately one hour and we kindly ask all visitors to remain for the duration of the service. This helps to ensure that our children's performances can be enjoyed without interruption and allows every child to feel supported throughout the event.

After the morning service, our Year 6 children will be hosting refreshments for our families, please do come and join them if you can!

Please do get in touch if you have any queries.

Yours Sincerely

R J Bennett
