HEADTEACHER: Mrs Rosalind Bennett ***CHAIR OF GOVERNORS****: Mrs Anne Howarth*

22nd October 2026

Dear all,

What a fantastic first half term the children have had at school. I am so impressed with how much the children have progressed since the beginning of September. They have all settled into our class brilliantly and have made a wonderful start to their journey with us. On Friday we were also so proud of the children during their performance at our Harvest Festival, we hope you all enjoyed it. It has been wonderful to see their curiosity and love for learning shine this half term, we have enjoyed sharing the fun from our Superhero topic with them! We are keeping our fingers crossed that the Evil Pea does not come back to cause chaos anytime soon!

In maths this week we have explored number composition, the children have identified all the different ways we can make 1,2 and 3. In phonics this week we focused on consolidation, the children have enjoyed exploring words and sentences that contain our Level 2 sounds.

Reading Books: Today in your child's reading diary you will find an individual account login which will allow you to access a series of eBooks linked to our phonics scheme. Please follow the link below and type in your child's login to access the books. We would really appreciate it if our Reception children could continue to read frequently over the half term holiday as this is such a new skill for them. You may receive an E-book that your child has already read from school. Please do not worry re-reading books is a great skill to build up fluency.

Learner Login - Log In - Twinkl

Phonics Workbooks: Please be aware that our learning has focused on consolidation this week so there are no new sounds for the workbooks.

Forest School Clothes: If you would like your child's wellies and waterproofs returned for half term please let a member of the Reception team know.

Sharing Books: Today we will send your child with a new sharing book for half term. Please do not worry if you have not returned last week's, this can be returned after half term.

If there are any questions at all, please come and see us.

I hope you all have a wonderful half term break.

Kind regards,

Mrs Bown
