

Learning for Life

*HEADTEACHER: Mrs Rosalind Bennett CHAIR OF GOVERNORS: Mrs Anne Howarth*

---

5<sup>th</sup> March 2026

Dear all,

This week the children have continued to enjoy our Around the World the topic; we had a wonderful end to last week tasting French food! Our journey on Flyford Airways took us to Spain this week, the children have learnt some different key facts about Spanish culture and certainly had lots of fun learning Flamenco dancing. In our independent learning time, the children have been busy painting aeroplanes, doubling spots on ladybirds, exploring different animal characteristics and sorting odd/even numbers. On Monday the children were very excited to be bees collecting pollen in P.E. The children explored different strategies to help them stop a rolling ball and pretended they were bees and the tennis balls were pollen! I was very impressed with the children's fantastic listening and focus during this session. At one point they were concentrating so deeply the hall was silent!

In phonics this week we have continued to focus on recapping our level 3 learning. In maths we have been combining two groups of objects and exploring simple addition. I was so impressed with how confidently the children grasped this concept. Well done, Reception.

We are all looking forward to World Book Day today. The children will be thinking about their favourite book characters and discussing them in class.

**Phonic Workbooks:** Now we have added all of the sounds to the workbooks, these books can now stay at home and no longer need to come to school.

**Rufus:** Rufus has had a busy few months enjoying his weekends with the children. He has now visited all children in the class. Luckily, we have enough weeks left for him to come to you all again! As I am sure you can imagine the children are absolutely delighted.

If there are any questions at all, please come and see us.

Have a lovely weekend.

Kind regards,

Mrs Bown
