RE: Y5 & Y6 Christmas Production

Dear All,

Our Christmas Production is approaching completion! This year we are doing a joint Christmas production with Years 5 & 6 working together. The children are getting very excited!

The event will take place on Friday 12th December at 9.05am and will last for approximately one hour. Please be aware that due to our hall capacity, we unfortunately have to restrict the number of people who can attend. We are able to offer you 2 seats per family for the performance. Any more than this would regrettably take us over our legal capacity, so we would really appreciate your support so that the event can take place safely.

For those who cannot attend, we hope to upload a copy of the production onto our website after the event.

Many thanks for your support.

R J Bennett
