Dear Parents/Carers,

Extra-Curricular Clubs and Activities – Autumn Term 2026

I am delighted to send you our clubs list for the Autumn Term with some lovely indoor and outdoor activities planned. The wide range of extra-curricular experiences we have on offer for our children reflects the dedication and professionalism of our teachers, who recognise the importance of these enriching experiences as part of primary education. I am sure you will wish to join me in expressing our appreciation.

All clubs will return w/c 14th September 2026, with the exception of WMTC (which will start on 8th September), Maths (which will start on 7th October) and Football and French (which will start on 10th September 2026). Please note that for Football, there is a QR code for parents to complete the booking form and make payment electronically.

If your child is unable to attend a club on a particular night, it is important that you let the member of staff running the club know. A register of attendance will be kept in order that we fulfil our statutory obligations and can review the success of our provision.

Certain clubs have restricted numbers due to safety reasons; your child will be advised whether there is a space available for them by the teacher running the club. Places will be granted on a "first come, first served" basis, however waiting lists will be held for those unable to initially secure a place wherever possible.

If a club needs to be cancelled, at least 24 hours' notice will be given. Decisions regarding the continuation of clubs which are weather dependent will be made by 1 pm.

Please indicate overleaf which clubs your child would like to attend, complete the permission slip below and return to the school office by Wednesday 9th September. Please note that we are also happy to accept completed forms via email.

Yours sincerely,

Rosalind Bennett
