17th October 2025

Dear Parents and Carers,

We love to celebrate special occasions such as birthdays, cultural festivals, and seasonal events with the children. These moments are a joyful part of early years development and help build a sense of community and belonging.

As part of these celebrations we are happy to facilitate small treats such a slice of cake from home for the children to share with their friends. We are always mindful of allergies, dietary requirements, and our food and nutrition policy. We ensure that any treats are served in moderation and with care.

We fully respect the preferences and values of each family. If you would prefer that your child **does not receive cake or similar treats** during celebrations, please let us know. We will ensure an alternative is provided so your child can still feel included in the occasion.

Thank you for your continued support.

Best wishes,

The Early Years Team
