Dear Parents and Carers,

**RE: Change of Lunch Provider**

Unfortunately, we will have to change our lunch provider in September. Just a few weeks into our new contract our current provider informed us that we would need to pay an additional £6444 per year to continue with our current level of service as they had not considered service and washing up when pricing our contract.

It's important that the funding given to schools is used for education, so we couldn't in all conscience subsidise these additional costs. Whilst trying to find a solution with our current provider such as our staff serving, we were given twelve weeks notice on the contract which will cease on Thursday 18<sup>th</sup> September.

We are already in touch with a new provider and will share full details, including menus and payment systems as soon as possible. In the meantime, please avoid adding credit to your lunch account that would extend beyond the contract end date of 18th September. If you've already added credit beyond that date, there's no need to worry, accounts will be reimbursed - please just let our office know.

I am so sorry for the inconvenience caused. We had hoped for a long and professional partnership with our current provider and it's disappointing that this hasn't been possible. Please do get in touch if you have any queries.

Yours sincerely

-
