

Today I am going to
teach you how you
can use parts of
your body to stay
SAFE when you're
online.

Use your **head** when you're
online.

Keep what's yours inside
your mind.

Use your **heart** when you're
online.

Be kind to your
friends, just
like you would
in real life.

Use your **arms** when you're
online.

Don't spend all
your time
playing with
technology.

There are lots
of other things
to do!

- Use your tummy when you are on-line

Listen to your
gut!

If it feels
wrong, tell
someone.

STAND

STAND TALL WITH YOUR
LEGS...

Be nice to
everyone!

If somebody is
mean to us, we
must tell
someone.

THINK

WITH YOUR **HEAD...**

FEEL

WITH YOUR **HEART**...

BALANCE

WITH YOUR **ARMS...**

LISTEN

LISTEN TO YOUR **GUT**...

STAND

STAND TALL WITH YOUR
LEGS...

FROM YOUR HEAD DOWN TO
YOUR TOES, PAUSE AND
THINK ONLINE.
