

Getting to know you!

Draw a picture of yourself here

Name:

Dear Parents/Carers,

We really want to get to know your child as quickly as possible so that they will be happy, secure and positive about their first experiences at school. We feel that working together with you, "Parents as Partners", is vital in this process.

Please take a look at this special booklet with your child. We want to know anything that you feel is important and key in helping your child settle in. This booklet is the start of their "Learning Journey" and is a great way to get to know your child and get your child chatting happily to the grown-ups about their families, interests and experiences.

Many thanks,
