

### Uniform Policy

#### Introduction

Our policy is that all children should wear clothing that aligns and supports our purposeful learning ethos.

#### Aims

Our policy is based on the belief that a school uniform:

- promotes a sense of pride in the school
- develops a feeling of belonging
- is practical and distinctive
- identifies the children with the school
- is not distracting in class
- makes children feel equal to one another in terms of appearance
- reflects the sense both of community and of diversity that the school takes pride in
- is regarded as suitable, and good value for money, by most parents

#### Jewellery

On health and safety grounds, we do not allow children to wear jewellery to school, except for small, plain, round gold or silver coloured stud earrings and watches.

#### Labels

All clothing should be clearly named. The school cannot accept responsibility for any lost items.

#### Hairstyles

Long hair must be tied up in order to decrease risk of infestation. Children may wear plain hair accessories, in school colours. Hairstyles must be age appropriate and suitable for a primary school setting. Extreme hairstyles, e.g. hair colouring, tramlines, shaven areas on head, etc, are not permitted.

#### Make-up/Body Art

Pupils are not to wear make-up, including nail varnish. Other forms of body art such as tattoos are not permitted.

#### Hair Coverings

Children may wear hair coverings in plain colours for religious observance. For health and safety purposes, all hair coverings must be short.

#### Water Bottles

Children may bring in a bottle of fresh water in a clear water bottle.

#### SEND/Medical Conditions

Flyford Flavell Primary School recognises that some pupils may experience sensory or medical conditions. Adaptations can be made to our uniform, when appropriate via discussions with our Headteacher and SENDco. Please do come and speak to us if you feel your child needs adaptations to our school uniform due to sensory or medical conditions.

#### Role of the Class Teachers and Support Staff

- Set a good example in terms of dress.
- Remember that in our respective roles we serve the local community as a set of professionals.
- To remind children to wear school uniform. The class teacher will speak to parents whose children who do not wear the correct uniform. If they continue to not wear the correct uniform, they are to be referred to the Headteacher.

### **Role of the Headteacher**

- The Headteacher is to ensure that pupils comply with the uniform policy agreed by the governing body.
- The Headteacher has a duty to enforce the school uniform throughout the school community, as part of the duty within maintenance of day to day discipline in the school.
- The Headteacher will speak to the parents of children who persistently do not wear the correct uniform.
- The school will follow the DfE guidelines and will not consider exclusion from the school where a pupil fails to comply with the school's rules on uniform.

### **Role of the Parents/Guardians**

- Support the aims and ethos of our school uniform policy.
- Ensure that their child / children adhere to the school's uniform policy.
- Ensure that pupils come to school in uniform everyday unless there are special circumstances such as non-uniform days.

### **Branded Items**

Please note that our school badge is not compulsory as this can increase costs. The vast majority of items (excludes UKS2 sports top) items can be non-branded to allow for the purchase of our uniform from a wide range of affordable suppliers.

### **Equalities**

All children have equal access to wearing school uniform regardless of their culture, race, religion, gender, disability or ability. We ensure that the set uniform respects other policies such as Equalities and allows for individual sets of circumstances of all groups and individuals. Flyford Flavell Primary School is committed to creating a positive climate that will enable everyone to work free from racial intimidation and harassment and achieve their full potential.
