Dear Parents/Carers

**RE: Parent Charter**

All of our team really appreciate all the support that we get from parents. Working as a team, with positive and purposeful relationships, helps us to do our best for our children and promotes well-being for all parties!

There have been many changes over the last few years – our school has grown and since covid communications between school and home have changed. Given these changes, our Staff and Governors, including our Parent Governors, have worked on a Parent Charter which details the relationships that we aim to have with our community and how we can achieve them.

Our Parent Charter is ready to be shared with our new parents who will be joining us in September – but I thought it was worth sharing with all of our parental body.

As a school, we aim to have high levels of staff well-being so hope that all parents will feel that they can embrace the principles set out in our charter.

Please do get in touch if you have any queries.

Yours sincerely

*R J Bennett*
