Dear all,

**Reception Baseline**

The Reception Baseline Assessment, or RBA is a statutory assessment from September 2021. It is a short, interactive and practical assessment of your child's early literacy, communication, language and mathematics skills when they begin school. The process is games-based to ensure the children do not feel like they are being assessed. It will be delivered by myself and will be used to measure your child's progress from Reception to Year 6. If you wish to read further on the Reception Baseline, then you can find the link to a useful parent booklet below.

If you have any questions at all, please come and see me.

Kind Regards,

Mrs Bown
