23.06.25: New Reception transition afternoon

23.06.25: Reserve Sports day 9.30-1pm

24.06.25: Y1/Y2 Synagogue visit

Home Learning

Thank you for all the support with home-learning. It was wonderful so see all the different projects our children had worked on. The children enjoyed sharing their projects with their class and they are displayed around our building for everyone to enjoy.

A particular thank you to Sammy for bring a war time carrot cookie to my office which was surprisingly delicious!

Cadbury World

As part of their Ancient Civilisation topic learning, Year 3 & 4 visited Cadbury World this week. They learnt all about the city of Chichen Itza and the Mayan myths and legends that explained how humans were created. They explored a life-size replica of the Mayan codex to help understand the Mayans' counting system. They also looked at history closer to home—how chocolate came to Europe and how Quaker values impacted on Bournville in Birmingham.

There was lots of rich learning alongside eating delicious chocolate!

Thank you to our Year 3/4 team for facilitating this super experience.

17.07.25: Year 6 Leavers assembly 2.00 pm
17.07.25: Break up for summer holiday
03.09.25: Children return to school

Thank you

Thank you to our PTA for a lovely Easter treat on the last day of term. Our children really enjoyed the word hunt and the many delicious treats available.

Well Done

Well done to Alfie and his team at Worcester City. They have recently won their regional league, making it through to nationals where they received a trophy for being the Midlands divisional champions. An amazing achievement for Alfie and his team!

Excellent Role Model!

Well done to Thomas who has been busy picking up litter in his community. As an eco friendly school we are all extremely proud of his efforts. Just a reminder that we do have litter pickers in school that we are happy for children to borrow if they have been inspired by Thomas' efforts!

Safeguarding: Mobile Phones

Just a gentle reminder that we ask parents/carers not to use mobile phones on our grounds or in our building. We do appreciate that this is an irritating request but please be aware that we ask this with the best of intentions. Sadly phones can be used with ill intent around children. Supporting us with this request helps us to do our protect the children in our care. Thank you.

Well Done

An enormous well done to Harvey who has been working really hard on his phonics. Mr Jones has been delighted with the progress he has made in a few short weeks. Well done Harvey, keep up the good work!

Warm Weather

Now the warmer weather is here, we would be grateful if children can bring a sun hat or cap with them into school. Please also apply sunscreen before school so that children can play safely outside. Thank you.
