11.11.25: WMTC Performance Swan Theatre 7.30pm
13.11.25: WMTC Performance Swan Theatre 7.30pm
15.11.25: WMTC Performance Swan Theatre

Pet Day

A huge thank you to our Reception team for giving the children such a memorable and exciting day! The visit from alpacas, ponies, dogs, cats, and chickens brought so much joy to everyone, and it was wonderful to see the children fully engaged—asking thoughtful questions and showing curiosity. Thank you also to all the parents/grandparents who supported this event which was really appreciated. A special mention goes to Mrs Bown's dog, Brie, who spent the whole day with us and absolutely loved all the fuss received. It was a very special day for our Reception class.

Easing Traffic/The Boot Closure

Please be aware that The Boot's carpark will be closed to parents next week as they are having some work done. We want to make sure this doesn't impact on children's safety, so from Monday 14th July our Reception and KS1 children may come into school from 8.30 am and be collected from 3.10 pm. Any KS2 siblings will also be welcome to come in during these new times. We would ask that KS2 children without KS1 siblings, come in during our normal times. If parents do choose to collect at 3.10 pm then we would ask that they leave our grounds promptly to free up parking for parents collecting at 3.25 pm. Please do get in touch if you have any queries.

Singing Club

Our Singing Club gave a delightful performance this week, showcasing a selection of their favourite songs to an enthusiastic audience of parents and carers. Our children sang with confidence and joy and it was a pleasure to see so many families there to support them. A huge thank you to Mrs Bown for leading the club with such dedication and enthusiasm throughout the year.

Diary Dates Continued

24 - 26 11.25: Year 5
Manor residential trip
01.12.25: Open after-
noon for parents to
come and see chil-
dren's work 3.30 pm

4 Christmas Produc-
tion 2.00 pm & 3.30
pm.
18.12.25: Christmas
Party day
19.12.25: Christmas
Jumper day
19.12.25: Last day of
term

Year 3/ 4 Assembly

Our Year 3/ 4 children delivered an inspiring assembly this week fo-
cused on reducing pollution. A
huge thank you to all the children
for their hard work and enthusiasm
and to the staff who supported
them. You have reminded us all
that small changes make a big
difference !

Super Science

This term, Year 5 have been exploring
reproduction in plants as part of their
White Rose Science unit. One of the
highlights has been learning about
how some plants can reproduce with-
out seeds, through cloning.
Pupils investigated how new plants
can grow from cuttings and discovered
how gardeners use this method to
produce identical plants. The children
were fascinated to see science in ac-
tion and, fingers crossed, will have
some healthy new plants soon.
Thank you to our Year 5 team for this
super learning!

Well Done!

A huge congratulations to Jen-
sen and Emily, the winners of
the colouring competition at
this year's Bish Bash Bosh Vil-
lage Fete in Bishampton!
Well done to everyone who
took part, it was lovely to
know that so many of our chil-
dren participated.

Super Spellers

Well done to Freddie and Albie. Freddie has been doing well in his weekly
spelling tests and Albie has been putting wonderful effort into his weekly practice
at home and carefully checks his spellings using a dictionary!
