 15.12.25: Year 2, 3 & 4 Christmas Production 2.00 pm & 3.30 pm.
 18.12.25: Christmas Party day
 19.12.25: Christmas Jumper day
 19.12.25: Last day of term
 05.01.26: TED Day
 06.01.26: Children return to school

Well Done

A huge well done to Parth, Amy, and Arthur, who represented our school brilliantly at the recent cluster multiplication tables tournament and brought home a trophy for first place! Congratulations to all the children who took part. Mr Kearns was so impressed with everyone's enthusiasm, teamwork, and quick thinking. A big thank you also to Crowle Primary School for hosting such a fantastic event.

Remembrance

On Monday, all classes held a special assembly to learn about Remembrance, preparing thoughtfully for the following day. On Tuesday, we held a two minute silence to honour all those affected by conflict. It was wonderful to see the children participate with such genuine respect and quiet reflection. We were all very proud. It has been lovely to see the beautiful Remembrance art that our Reception children have been working on this week!

Super Spellers

Our winners of Fuzzy and Buzzy this week are Georgia and Beth. Georgia was chosen because she consistently achieves high scores in her spelling tests and is working very hard to apply her learning in her work. Beth has been doing very well to remember all the patterns, sounds and tricky words her class have been learning this year. Well done to them both!

Year 5 Super Learning

Year 5 have been exploring musical elements through Scratch, using coding to create their own compositions in computing. They experimented with rhythm, pitch, and tempo to produce interesting and imaginative sounds. The children have particularly enjoyed discovering how small changes in code can transform their music, showing great creativity and curiosity throughout the project.

Diary Dates Continued

06.02.26: Maths Day, more details to follow
13.02.26: Reception Assembly, 9.00 am, all welcome
05.03.26: World Book Day, children may come to school dressed for a bedtime story.
10.03.26: Year 2 and Year 6 assessment information for parents, 3.30 pm
12.03.26: Phonics Screening information session for Year 1 Parents, 3.30 pm.
13.03.26: Cluster Spelling Bee for Year 5 pupils, more details to follow

17.03.26: SEND Parents afternoon 1.00 pm - 3.30pm
23.03.26: Parents Evening 1.00 pm— 6.00 pm
24.03.25: Parents Evening 1.00 pm— 6.00 pm
26.03.26: Easter service 9.15 am and 2.00 pm
26.03.26: Break up for Easter holiday
13.04.26: Return to school
22.05.25: Break for half term holiday
01.06.26: Return to school

Super Maths KS1

Our Year 1 and 2 pupils have been working hard to develop their addition and subtraction skills using a wide range of strategies. From practical resources and visual models to mental math tricks and number games, the children have been finding fun and creative ways to solve problems.

It has been fantastic to see their confidence grow as they explore different methods and support each other's learning.

Reminder Tomorrow

Just a reminder that tomorrow we are holding a bake sale for Children in Need. Donations of cakes/biscuits etc from our KS1/ Reception parents would be really appreciated.

It is also our non uniform day—children may wear their own clothes to school in return for a tombola donation for our PTA Christmas Fayre .

E Safety

Thank you to our parents who attended our e-safety information session last week. If you were unable to make it but would like more details on how we teach children to keep themselves safe when using technology, please see the link below.

[Flyford Flavell Primary School - Online Safety](#)

Just a reminder that Mr Kearns is always happy to support parents who may need help with parental settings on devices or indeed any advice on how children can use technology safely.

Super Science

Year 3 and 4 have been learning all about how materials can change state — from melting and freezing to condensing and evaporating. They had great fun carrying out an experiment to see how temperature affects how quickly ice melts, using a range of liquids such as fairy liquid, BBQ sauce and hand gel. There was plenty of excitement (and a few surprises!) as they made predictions, watched the changes happen, and shared their discoveries.

Online Safety Tips For Children

Do's

Don'ts

1 KEEP YOUR PERSONAL INFORMATION PRIVATE ONLINE

Only share it with people you know like friends and family. Ask a trusted adult, like your teacher or a family member, to help you change your privacy settings so that strangers can't see it.

2 SPEAK POLITELY AND BE KIND TO OTHERS WHEN YOU SPEAK TO THEM ONLINE

Treat them like you would treat them in real life and always remember your manners.

3 TELL A TRUSTED ADULT IF YOU ARE BEING BULLIED ONLINE

If other another person is sending you nasty messages, a trusted adult will be able to help you collect evidence and report the person to the relevant authorities.

4 USE PASSWORDS TO PROTECT YOUR PERSONAL INFORMATION

Ask a trusted adult to help you create a password that you can easily remember but which is hard for other people to guess.

5 ALWAYS CHECK WITH A TRUSTED ADULT FIRST BEFORE USING A DEVICE OR DOWNLOADING A NEW APP

This is so that they can check it is safe for you to use and make sure the privacy settings are right.

6 TELL A TRUSTED ADULT IF YOU SEE SOMETHING ONLINE WHICH YOU DON'T LIKE

This can include anything that upsets you, makes you feel sad or which you're unsure about.

7 USE THE INTERNET TO HAVE FUN AND TO HELP YOU FIND OUT INFORMATION ABOUT THINGS

Remember to ask your trusted adult for help and always use child friendly search engines so that the information you get back is safe.

1 ACCEPT FRIEND REQUESTS FROM STRANGERS OR PEOPLE YOU DON'T KNOW

Always tell a trusted adult if somebody you don't know tries to contact you online.

2 SPEND TOO MUCH TIME ON YOUR DEVICE

Instead, go out and play with your friends, get some fresh air and try to exercise more. This will help you stay fit and healthy.

3 REPLY TO MESSAGES FROM ONLINE BULLIES OR PEOPLE WHO SEND YOU NASTY MESSAGES

The most important thing to do is to tell a trusted adult and then block the person from contacting you.

4 COPY PEOPLE'S WORK ONLINE OR PRETEND IT IS YOURS

This is called plagiarism and can get you into a lot of trouble.

5 BE MEAN OR NASTY ONLINE

Behave online like you would in real life and don't post anything that can make you look like a bad person. Things that you post online can stay there for a very long time.

6 USE YOUR DEVICES CLOSE TO BEDTIME

This will allow your brain to rest so that you can get a good night's sleep, stay focused at school and perform better in class.

7 SHARE PERSONAL INFORMATION ON THE INTERNET WITH STRANGERS

Always tell a trusted adult if somebody you don't know asks you for your personal information.
