17.04.26 Year 5 Bell Boating day, Fladbury Riverside
23.04.26: KS1 Swimming begins
11.05.26: Year 6 SATs Week

Year 1/ 2 Trip

Year 1 and Year 2 had a wonderful visit to All Things Wild in Honeybourne as part of their learning about animals and habitats. The children were incredibly enthusiastic, with many choosing to hold a snake, stroke a rabbit, and even handle a cockroach! A highlight of the day was herding the mini goats — lots of teamwork was involved and one still managed to escape. Thankfully Mrs Wong came to the rescue and the goat was safely returned to his herd.

It was a fantastic hands-on experience and the pupils represented our school beautifully with their curiosity, kindness, and excellent behaviour. They were a joy to take out. Thank you to our KS1 team for organising this super experience.

Reception Art Work

Our Reception children have been busy exploring the exciting world of abstract art through finger painting. The children were given the freedom to paint anything they liked, using their hands to mix colours, create patterns and experiment with different shapes and textures.

At the end of the lesson they compared abstract and figurative art.

Thank you to our Reception team for this super learning.

Year 2 and Year 6 SATs Information Session

Just a reminder that on Tuesday next week at 2.45 pm we will be hosting a Year 2 and Year 6 information session for parents regarding end of key stage assessments. Please join us if you can, however we will share notes on our website for parents who are unable to attend.

03.07.26: Tag Rugby Pinvin Year 5, more details to follow

Super Spellers

Well done to Olive and Arthur for being awarded Fuzzy and Buzzy this week. Olive has really impressed Mr Jones with the effort she has been putting into practising her spellings and carefully including them in her writing. Arthur has also been working extremely hard on learning his spellings and remembering to use them in his work. Mrs Smith has been very pleased with the determination he has shown and the progress he is making. Thank you Olive and Arthur for being such super learners!

Year 5 Design and Technology

Our Year 5 children have been learning about gear systems through an engaging hands-on design and technology lesson. They discovered how gear teeth interlock to transfer movement and explored how gears can change the direction, speed, or force of motion. Thank you to our Year 5 team for this exciting learning!

Message from Donna

To all the parents, children and staff who contributed towards all the wonderful presents I received on my leaving day, thank you all so much for your kindness. The memory book from the children will always remind me of my enjoyable time working at the school. Many thanks and best wishes to you all.

Thank you

Last week, we said a sad goodbye to Donna. Thanks to everyone's generous donations, we were able to present her with a Swarovski flower, a gift voucher, flowers, and fat rascals from Bettys Tea Shop.

We are sure parents will want to join us in thanking Donna for her dedication and the gentle, exceptional care she has given to our children. She will be greatly missed.

Thank you

We would like to say thank you to everyone who generously donated over the Christmas period in support of Birmingham Children's Hospital. Your kindness and generosity will help bring comfort and joy to many children and families at a challenging time.

A special thank you goes to Ethan, who handed over the donations to the hospital. We are incredibly proud of the wonderful community spirit shown by all.

Thank You

Thank you so much to

Flyford Flavell Primary School

for donating the total amount of

£165.31

For Birmingham Children's Hospital Charity
