Year 6 Summer 1 Newsletter

Welcome back!

Hello parents and carers,

I hope you have all had a wonderful couple of weeks away from school and fun celebrating Easter. I'm sure, as in my household, there has been lots of chocolate treats eaten all round!

This term we are moving back to a historical focus with our topic 'Historical Heroes'. We will be learning about significant individuals in history and discussing who has had the most profound impact. We also have our end of KS2 assessments this term (SATs); please see the assessment section on the website for more details.

Your Class Teacher : Mrs Bugg

Our Curriculum

Attached to this newsletter you will find the curriculum map document for this half term. In it, you can read about all the exciting learning the children have to look forward to in our new topic.

Summer 1 P.E.

This term, P.E sessions are Monday and Thursday afternoons. This term we will be studying athletics with Mr Kearns on Mondays and rounders on Thursdays with our wonderful Mrs Rea.

Please remember to send back in some wellies or 'outdoor' trainers for any on-field play during playtimes.

Homework

We issue homework weekly to consolidate our learning, develop our all-important fluency and get us ready for the expectations of homework in secondary school.

Infinity - Mondays. A fun online maths activity which is tailored to our maths learning in school and your child's level.

English - English homework will be issued weekly on a Wednesday and will be in the children's homework books. This will be due in the following Wednesday.

Topic/Science - This homework will be issued once every two weeks and due back a week after issuing.

Weekly spellings - Fridays. Every Friday I will issue spellings; the spelling test will be completed the following Friday. Please encourage daily revision on Edshed or in spelling books.

TTRockstars - Children should be aiming for a daily short practice of TTRockstars, totally 15 minutes or over a week.

Reading - Daily. Please read with your child daily for 20 minutes. There is no better way to practice reading skills, develop vocabulary and improve reading fluency.

Have a wonderful half term and please contact me with any questions or queries; the door is always open.

Mrs Bugg
