We have enclosed several admission forms for completion and would ask that these are completed and returned by Monday 15<sup>th</sup> June 2026. The All About Me information can be completed at your leisure with your child; if this can be returned to us before the end of this summer term, we would be most grateful.

Whilst starting school is an exciting time, it can also cause some concerns for both parents and children. With this in mind, please remember that we have an open-door policy, so please do call or email with any queries no matter how big or small.

Yours sincerely,
