Geographical skills

Design an Antarctic survival kit. Draw and label what you would pace and why.

Create a fact file about Ernest Shackleton. Why was he described as one of the greatest explorers?

Design and make your own compass with the eight compass points.

History

Create a job advertisement for a job for a Victorian child. What gruelling tasks would they have to do? What should they be aware of?

Create a timeline of the laws and rules that were brought in (with the help of Lord Shaftesbury) to protect children working in the Victorian times

Entertainment

Create a comic script detailing a day in the life of mythical warrior. What adventures would they get up to?

Create a treasure hunt for someone. Use the eight compass points to direct people to your end point (the treasure).

Home Learning Tasks

Year 3 and 4

Children in history

Antarctica

Due: Wednesday 16th December 2026

Your Choice!

On this sheet, I have included some ideas of home projects you could work on however, if you have an amazing idea for a project that I haven't mentioned, please have a go!

Have fun! Mrs Smith

English

Write a newspaper article describing the achievements of Katherine Johnson.

Create a wanted poster for a legendary Greek hero. Draw their appearance, describe their powers and achievements.

Write a short story from the perspective of a Greek God. What challenges did they face and how did they overcome them.

DT/Art

Create a 3D Antarctic sculpture.

Design clothing that you may wear to the Antarctic. Could you add light technology to your outfit (micro bit) so you can be seen in the dark?

Design a 3D research station that could be used in Antarctica. What would you need to have to ensure you could live there for over a month?
