09.12.26: Reception and KS1 trip to see One Tiny Penguin, Birmingham
10.12.26: Pippins Christmas production 2.00 pm

Reception Super Hero Day!

Our Reception children enjoyed a fantastic Superhero Day this week, arriving at school dressed in a wonderful range of costumes and ready for a day of learning and fun. Throughout the day, the children explored what it means to be a real superhero, discovering that qualities such as kindness, courage, resilience and helping others are often the greatest superpowers of all. Through stories, creative activities and imaginative play, they reflected on how they can show these qualities both in school and at home.
The children put their superhero skills to the test by taking part in a series of exciting challenges in the hall. After successfully completing their training, each child received a Superhero Training Certificate, recognising them as an officially trained superhero!
An enormous thank you to our Reception team for this super learning – it was a lovely end of term treat for our Reception Children!

Year 5: Doodlers Design Challenge

Our Year 5 Doodlers have been busy designing, building and testing their own mechanical doodlers as part of their Design and Technology learning. After carefully planning their ideas, the children created their doodlers and then evaluated how effectively they worked, making improvements along the way. The highlight of the project was watching the doodlers travel around the classroom, creating a variety of patterns as they moved. There was plenty of excitement as the children experimented with different designs, tested their creations and discovered how small changes could affect the patterns produced.
Thank you to our Year 5 team for this super learning. More pictures

Tomorrow!
Please come and join us!

We are delighted to invite parents, carers, family members and friends to our **Macmillan Coffee Afternoon** on:

Friday 6th November
2.00pm - 4.00pm
School Hall

Donations of baked goods would be appreciated.

12.02.27: Break up for half term
22.02.26: Children return to school
23.03.27: Break up for Easter Holiday

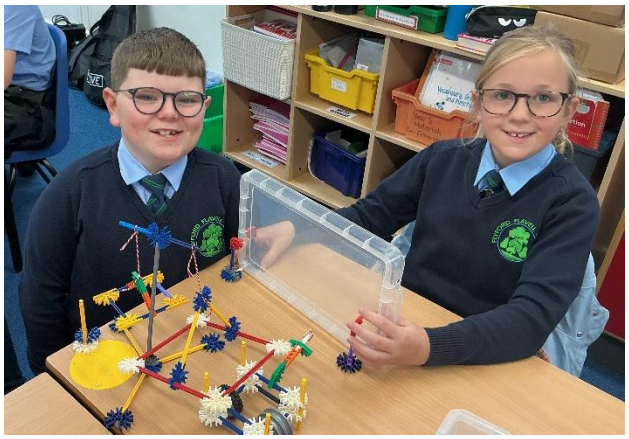

STEM Challenge Year 5

Year 5 recently took part in an exciting STEM challenge in partnership with **Specsavers**. The children were tasked with designing and creating a moving display based around the well-known slogan, *"Should've Gone to Specsavers!"*
The project gave pupils the opportunity to use their creativity, teamwork and problem-solving skills to develop and present their ideas.
A particular well done to Ben and Agnes who have been selected as finalists by the STEM team. This is a fantastic achievement and recognition of the hard work they put into the challenge.
Well done to everyone who took part, and good luck to Ben and Agnes in the next round of the challenge, where they will compete against pupils from other schools

Year 6 Trip Through Time!

To extend their knowledge beyond the history curriculum, Year 6 recently took part in an exciting archives workshop. The children learned where historical records from Worcestershire are stored, discovered some of the oldest documents held within the archives and even had the opportunity to view records connected to Flyford.
As part of the experience, the children were able to try their hand at writing with a quill, giving them a real insight into how documents were created and recorded in the past. It was a fascinating and memorable opportunity to bring history to life and deepen their understanding of the rich heritage of our local area.
Thank you to our Year 6 team for this super learning!

Upcoming Dates

6th November – 2.00 pm – 4.00 pm McMillan Coffee Afternoon

13th November – PTA Non uniform day, children may come to school in their own clothes in return for a donation for the Christmas Fayre Tombola.

13th November – Doughnut sale after school

20th November – Children in Need Bake sale – please could we ask for donations of baked goods from our Reception/KS1 families.

Thank you

A huge thank you to our wonderful PTA for treating staff to hot drinks during the final week of term. With Parents' Evening and a very busy week in school, the thoughtful gesture was greatly appreciated and certainly helped keep us going!

Winter Reminder

As temperatures begin to drop, please make sure children bring a coat to school each day so they can play outside comfortably.
We are sometimes asked about arrangements for severe weather. Please be assured that we will always make every effort to remain open and would only consider closing the school in the most exceptional circumstances where it was unsafe to do otherwise.
If a closure were ever necessary, we would communicate this by text message, as well as through the school website and the Local Authority school closures webpage.
In the meantime, we hope the winter months bring plenty of crisp mornings and perhaps enough snow for a snowman or two on our field!

Super Maths!

Mr Jones has been really impressed with Dorian's maths progress this term. He has worked hard on his addition and subtraction calculations this term. He is working really hard and has impressed our KS1 team with this enthusiasm. Well done Dorian, keep up the good work!
