12.02.27: Break up for half term
22.02.26: Children return to school
23.03.27: Break up for Easter Holiday

Super Proud!

Our WMTC members recently took to the stage at the Swan Theatre, Worcester, in *Love Is in the Air* following many months of hard work and commitment.
The children joined an adult cast and embraced every part of the experience, growing in confidence and developing their performance skills along the way. From learning dances and songs to balancing rehearsals with school life, they showed real dedication throughout the production journey.
We are incredibly proud of all they achieved and how wonderfully they represented our school. A special thank you goes to Mrs Bugg for providing such a valuable opportunity for our children. We would also like to thank our staff and parents who gave up their time to chaperone and support the children. Thank you also to everyone who came along to cheer them on. The experience created memories to cherish.

Reception Places 2027

Starting school is a big milestone, and we are always delighted to welcome new children and families into our school community. If your child is due to start Reception in September 2027, applications for school places are now open.
For children applying to Worcestershire County Council, applications close on Friday 15th January 2027. We would encourage families to submit their application by the deadline to give themselves the best opportunity of securing their preferred school place.
If you have friends, neighbours or family members with children due to start school next September, please do share this information with them. We would be delighted to welcome them to our school.
Apply for a primary or first school place | Worcestershire County Council

Painty Hands!

Bumped into these two cheeky artists who were heading off to wash their hands after a painting session at after-school club. Judging by their wonderfully paint-covered hands, they had clearly been hard at work! Lovely to see our children creating, exploring and making a mess!

Bake Sale

We would be very grateful for donations of baked goods from our Reception and KS1 families to help support our Children in Need bake sale. If your child would like to buy a sweet treat at break time, please send them in with some money on the day.
Just a reminder that we are a nut free school – we would be really grateful if parents could keep this in mind.
Thank you for your support

P.E. Kits

As our PE lessons may occasionally change due to the weather or preparations for our Christmas productions, it would be really helpful if children could have both their indoor and outdoor PE kits in school.

Please send:

- Plain black pumps for indoor PE
- Trainers for outdoor PE
- Navy shorts and a white T-shirt for indoor PE
- Navy jogging bottoms for outdoor PE
- An optional plain navy sweatshirt or hoodie

Please don't worry if your child does not have a navy sweatshirt or hoodie, as they are very welcome to wear their usual school sweatshirt when needed.
Thank you for your support in helping us keep the children active and ready for whatever the day brings!

Fuzzy and Buzzy

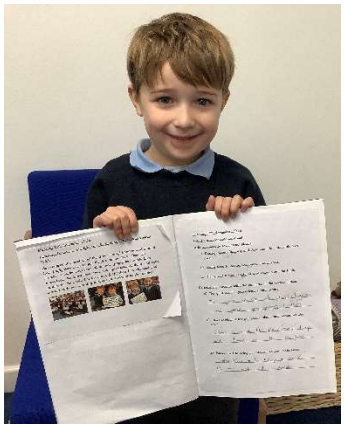

A huge well done to Parker and Arthur, our Super Spellers this week!
Arthur impressed Mrs Smith with the care he takes to get his spellings right first time, showing real focus and attention to detail.
Parker thinks carefully about his spelling choices and concentrates brilliantly, helping him to spell accurately and with confidence.
We are very proud of both these super young men. Please keep up the fantastic work.

Design and Technology

Our Year 6 children have been thoroughly enjoying their Design and Technology project, designing and creating their own tote bags. Each bag is completely unique and reflects the personality, interests and creativity of its designer.
Throughout the project, the children have developed a wide range of skills, including designing, measuring, cutting, sewing, evaluating and problem-solving.
They have done a wonderful job so please do take a look at their designs.
More photographs

Super Learning, Art and Design

Year 1 and 2 started by drawing their own maps before using them to create 3D versions. They thought carefully about where different features should be placed and worked hard to turn their plans into 3D models.
Thank you to our Year 1 and 2 team for this super learning.

Amazing Handwriting

Well done to Dig, who has been working really hard on his handwriting this week. He is taking great care to form his letters carefully. Thanks to his hard work, his handwriting is beautifully neat and easy to read.
A wonderful reminder that perseverance and practice help us all to grow, develop and achieve.
