Wonderful Day

An enormous “thank you” to Pershore High School for inviting Year 5 and 6 to see the musical “We Will Rock You.” Our children had the most amazing day—first of all watching a highly polished, professional performance, then attending a drama workshop in the afternoon. It was lovely to see some of our ex pupils performing.

Can you spot Olivia and Noah on the motorbike? Our Head Girl and Head Boy took pride of place on stage!

Thank you to Pershore High School for a wonderful day. Both staff and students must have worked incredibly hard to give their audience such a treat.

Help in School

We would really appreciate some help in school listening to readers. If you, or anyone you know, would be happy to come in, even if it’s only for an hour, we would really appreciate it.

Please do get in touch if you have some free time and would like to come and join us. It doesn’t have to be a regular commitment —ad hoc support would also be greatly appreciated.

Super Spellers

Well done to Jensen and Olivia for being our Super Spellers this week. Jensen shared that he practices his spellings at least four times in order to be successful and Olivia agreed that practicing frequently really helps her to become a good speller.

Well done to both children.

Thank you

As part of our PHSE curriculum, Year 6 have been learning about first aid. An enormous thank you to Jacob who brought in "Choking Charlie" to enhance our learning. Children were able to learn how to perform the Heimlich Manoeuvre in a practical and fun way. Thank you Jacob for your thoughtfulness—Year 6 really enjoyed meeting Choking Charlie!

Comic Relief Day 21.03.25

On Comic Relief day, in return for a donation, children may wear their red noses to school or have one painted on using facepaint in school. If your child is allergic to facepaint and we are unaware, please do let us know.

Super Proud

We are all incredibly proud of Maia and Isabelle who have recently "gone green" on times table rockstars. Going green means that Maia and Isabelle know their times tables to 12 and can answer a range of times table questions in 4 seconds—no mean feat! They have both worked really hard to practice over recent weeks and their hard work and determination has really paid off. Thank you both for being inspirational learners!

KS1 and KS2 Assessments

Thank you to the parents who came along to our KS1 and KS2 assessment information sessions this week. If you were unable to attend, more information can be found [here](#) or alternatively, please speak to your class teacher.

Court Case

There was lots of laughter coming from our Year 5 classroom this week as children took part in a mock trial as part of our PHSE curriculum. Our children took on a different role such as juror, accused, judge etc. With a link to our history curriculum Henry VIII (aka Deon!) was put on trial for the barbaric treatment of his wives. Thank you to our Year 5 team for this super learning.
