### Severn Trent Assembly

Thank you to Rob from Severn Trent who delivered a fun and interesting assembly about saving water. The assembly helped children to think about how important it is to look after our water, how waste is treated and how our actions can go a long way in impacting the environment. Following the assembly, Year 5 and 6 had a workshop which explored these themes in more depth.

### Thank you

Thank you to Florence for bringing in some amazing home learning about Malala Yousafzai. She has written some really interesting facts and produced some super art work.

### Super Spellers

Many congratulations to our super spellers this week, Henry and Grace. Henry has always paid good attention to his spelling, but this week Mrs Thornywork was especially proud to show off his work to the whole class, demonstrating his application of this week's spellings. Mrs Voce chose Grace as a super speller because of her improved confidence and excellent progress. Well done to them both!

### Phonics Workshop

Thank you to everyone who came along to or Phonics Screening information session this week. If you were unable to attend, more details can be found [here](#) or alternatively, please speak to Mr Jones if you have any queries.

### Thank you

Thank you to Mrs Jamieson who joined our Reception class this week in order to teach our children lots of fun and interesting facts about Australia. Our children learnt about Australian food, music, geography and animals. Our children really enjoyed a "guess the animal" game and eating Anzac biscuit which they ate during snack time. A huge thank you to Mrs Jamieson for enriching our Reception topic of "Around the World."

### Super Science

This week in science, Year 6 investigated the concept of refraction, focusing on how light bends and its role in creating rainbows. Thank you to our Year 6 team for this super learning!

### Resusci Annie

Year 6 met Resusci Annie this week in order to practice cardiopulmonary resuscitation. (CPR) Thank you to Jacob for bringing Annie into enhance Year 6 learning.
